

# Christmas Is Jesus

In a humble stall Mary gave Him birth  
The prince of peace has come to earth  
God of the universe, yet a humble child  
The promised one has come

Christmas is Jesus, gift of Love God's son  
Crown Him now with praises, worship the Holy One  
Christmas is Jesus, Hope of all the earth  
Let every heart prepare Him room, Christmas is Jesus

He is with us now, living in our hearts  
The King of Kings is Lord to me  
I will give to Him my everything  
I will give to Him my love

O come let us adore Him, O come let us adore Him  
O come let us adore Him, Christ, the Lord
