We are kicking off our Youth & Family Program with a **dog-friendly**, **kid-friendly** winter hike to enjoy God's handiwork and fellowship together in North Park. Join **Pastor Thompson**, his dog, and other families from Ascension on an easy winter walk as we bundle up and safely gather in the great outdoors. Put on your mask, layer your clothing, and strap on your snow boots and see North Park in a whole new light! We can't wait to see you there!

****So that everyone feels safe, we ask that you kindly wear a mask.****

"Forget the former things. Do not dwell in the past. See I am doing a NEW thing. I am making a way in the wilderness and streams in the wasteland."
